Dear Parents,

**After 49 ½ years of dedicated service, Jane Bliss has retired from Little Flower School. We have planned two days to celebrate Jane's retirement. On Palm Sunday, April 9, we will have a reception with donuts and coffee after 7:45 Mass until the 10:00 AM Mass. Thursday, April 13, is our last day of school before spring break. We will have a 1:30 dismissal and no LAP. Jane will be present at lunch on this day and each lunch shift will sing "Happy Retirement" and enjoy retirement cake. At 12:45, we will have an assembly to honor Jane. All are invited (SHG has a 12:00 dismissal that day). Please contact the school office if you wish to share a memory with Jane at the assembly.**

Other information, events and activities at LFS include:

~ Twelve 8<sup>th</sup> Grade students participated in the Illinois Junior Academy of Science Regional Science Fair on Saturday, March 25. The students bought home 4 outstanding and seven 1<sup>st</sup> Place ribbons. The Benjamin Franklin Mason Science Award went to Olivia Viele. Olivia was also recognized for having one of the top 14 projects at the Science Fair.

~ Our mission focus for this week is Hope Institute. Please be generous during this time of almsgiving. We will have a collection on Friday, March 31 and students will be given a Dress Down on Friday for a contribution to Hope Institute.

~ When we have a forecast of 60 degrees or higher, wearing shorts within the guidelines of our uniform policy, will be permitted.

~ **Some students habitually order food and are bringing their own lunch. This costs us money to order food for someone and not serve it. We will begin to charge these students for the lunch they have ordered.**

~ Our students will be performing the Shadow Stations of the Cross on Friday, April 7 at 2:00 PM.

~ Grandparents Day is Friday, April 28.

~ If you are struggling to sell your Heritage Days Raffle Tickets, we have events (including after Mass and Fish Frys) in which you can sell tickets. Sell 12 tickets and your child receives a Dress Down Day beginning May 9 for the remainder of the school year. Call the office for more information.

~ Join us at the Men's Club Fish Fry each Friday during Lent from 5:00 – 7:30.

Respectfully,

Josh Ebener  
Principal, Little Flower School

## About The Hope Institute for Children and Families

The Hope Institute for Children and Families is an educational innovator for children with developmental disabilities which grew from a residential campus in Springfield and has since expanded to become so much more. Hope is supported by a variety of private donations, corporations, foundations and the government, which has allowed us to expand throughout the state of Illinois. We now impact thousands of children who represent a broad spectrum of learning styles and abilities—and their families. Hope's been able to pioneer a learning environment that supports students to achieve optimally, regardless of socioeconomic background, learning style, or disability. The children we serve enjoy improved learning outcomes, increased confidence, and a greater appreciation for differences. When you support Hope, you help children with special needs receive the education, residential care, vocational training, and clinical therapies that help them achieve optimum growth, independence, and joy.
