Dear Parents,

I am going "out on a limb" when I ask you for some feedback on our 2016-17 school year and the upcoming years. I would like to hear from parents on your perception (not from rumors and hearsay) of the strengths of our school and areas you think we need to improve. In addition, what direction should we take next year and into the future. Where should we focus our finances? What needs to happen for LFS to increase our enrollment? You can email me your response at josh.ebener@little-flower.org. (You don't have to answer each question directly but I do seek feedback. These question should give you a sense of the information I am seeking.)

~ Don't forget to sell the Raffle tickets. We have extended the deadline for the tuition incentive to Friday, June 2 at noon.

~ Please put our Heritage Days Celebration on your calendar for June 2-4. This brings our parish community together as we have entertainment for adults and our children.

~ If you still need to complete service hours, we are in need of volunteers for Heritage Days. Have fun and complete service hours at the same time. Contact Anne Antonacci if you are interested.

~ The last day of student attendance will be Friday, May 26. Our last day is a 1:30 dismissal with NO LAP. We will have Mass at 12:30 on that last day and present awards after Mass in the church.

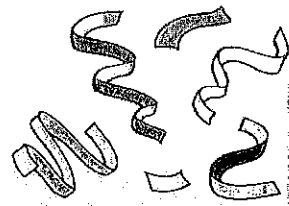

~ Registration for LFS Summer Camp is open. Please get your information to the school office.

~ Lastly, thank you for your support throughout this successful and productive school year. I have been pleased with the teaching and learning in our classrooms. We have improved our technology and it continues to be incorporated more in the classroom. I hope you have a fun and restful summer. Take care and may God bless you.

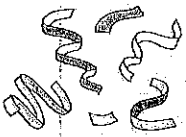

Respectfully,

Josh Ebener
Principal, Little Flower School
